In accordance with the California Act, Allergan has established a specific annual dollar limit of \$2,500, which applies to promotional materials, items and activities provided to covered recipients in California. In addition, the following expenses are excluded from the limit: expenses that are directly associated with payments statutorily excluded from the limit (e.g., meals for consultants), items provided to health care professionals that are ultimately intended for patients or consumers, fellowships, receptions at third-party educational or professional meetings, and sales aids. To the best of its knowledge, Allergan declares that as of March 31, 2021, it is in all material respects in compliance with the requirements of the California Act.
