Asymptomatic, elective or preventative removal Patient dissatisfaction with implant size or aesthetics Adverse reactions other than implant rupture, capsular contracture or late seroma Removal of implants due to wrinkling or rippling. Loss of product integrity caused by cosmetic revision surgery Loss of product integrity caused by open or closed capsulotomy Gel deformation / gel fracture Other manufacturers' products

* Deflation, rupture, capsular contracture and late seroma are among the known risks of breast implants. Capsular contracture is defined as the tightening of the tissue capsule around an implant, resulting in firmness or hardening of the breast and squeezing of the implant. Late seroma is defined as a pocket of serous fluid that develops at least 12 months after breast augmentation and presents with clinically evident swelling.

The plastic surgeon, as learned intermediary, is responsible for providing the patient with appropriate risk information before surgery, including (but not limited to) the risk of deflation, rupture and Breast Implant Associated Anaplastic Large Cell Lymphoma (BIA-ALCL). Allergan Aesthetics makes available to all plastic surgeons and patients a copy of the device appropriate informed decision brochure describing the benefits and risks of surgery with either its Saline-Filled or Silicone Gel-Filled breast implants. Copies can also be obtained by contacting Allergan Aesthetics directly, or through the Allergan Aesthetics website. The plastic surgeon should also advise the patient about possible adverse reactions and complications associated with Saline-Filled and Silicone Gel -Filled breast implants. **This document is not intended to, and cannot, take the place of a full and candid discussion between plastic surgeon and patient or the informed decision brochure for patients.**

THIS IS A LIMITED WARRANTY ONLY AND IS SUBJECT TO THE TERMS AND CONDITIONS SET FORTH IN THIS DOCUMENT. ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, BY OPERATION OF LAW OR OTHERWISE, INCLUDING BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXCLUDED. THE REIMBURSEMENT OF QUALIFIED ALLERGAN BREAST IMPLANTS AND PAYMENT OF DEFINED AMOUNTS FOR NECESSARY REVISION SURGERY AS SET FORTH IN THIS LIMITED WARRANTY ARE, TO THE MAXIMUM EXTENT ALLOWED UNDER APPLICABLE LAW, PATIENT'S SOLE AND EXCLUSIVE REMEDY. ALLERGAN AESTHETICS SHALL NOT BE LIABLE FOR ANY INCIDENTAL, INDIRECT, CONSEQUENTIAL OR SPECIAL LOSS, DAMAGE, OR EXPENSE ARISING DIRECTLY OR INDIRECTLY FROM THE USE OF THESE PRODUCTS. ALLERGAN AESTHETICS NEITHER ASSUMES, NOR AUTHORIZES ANY OTHER PERSON TO ASSUME FOR IT, ANY OTHER OR ADDITIONAL LIABILITY OR RESPONSIBILITY IN CONNECTION WITH THESE PRODUCTS. THIS SECTION, TOGETHER WITH THIS LIMITED WARRANTY, ALLOCATE THE RISKS BETWEEN ALLERGAN AESTHETICS AND THE PATIENT. THIS ALLOCATION IS REFLECTED IN THE PRICING OF THE PRODUCTS AND IS AN ESSENTIAL ELEMENT OF THE BASIS OF THE BARGAIN BETWEEN ALLERGAN AESTHETICS AND THE PATIENT.

I. APPLICATION OF THE ALLERGAN AESTHETICS WARRANTIES

A. WARRANTY

1. **Timeline**: The Allergan Aesthetics Warranty applies automatically to Allergan Aesthetics Breast Implants implanted in all Allergan Aesthetics markets outside the United States of America on or after May 1, 2019 (or as set out in Table I above), and supersedes any previous Allergan Aesthetics Warranty Program previously applicable.

2. **Covered Events:** The Allergan Aesthetics Warranty applies only to the following covered events (each a "Covered Event") if they require surgical intervention:

   (a) For NATRELLE® Silicone-Filled Breast Implants:

      (i) rupture of Allergan Aesthetics Silicone-Filled Breast Implants due to crease fold failure; or

      (ii) loss of shell integrity from unknown cause; or

      (iii) removal of implants for capsular contracture Baker grade III/IV (product replacement only within ten years of augmentation surgery); or

      (iv) removal of implants for late seroma (product replacement only within ten years of augmentation surgery).

      (v) BIA-ALCL diagnosis

      The Allergan Aesthetics Warranty may also apply to other event-related losses of shell integrity not specifically excluded, subject to review and approval by Allergan Aesthetics.

3. **Events Not Covered:** The Allergan Aesthetics Warranty does not apply to:

   (a) removal of implants for size alteration;

   (b) removal of implants due to wrinkling or rippling;

   (c) loss of shell integrity caused by operative procedures; or

   (d) loss of shell integrity resulting from open capsulotomy or closed compression capsulotomy procedures.

   The Allergan Aesthetics Warranty excludes other events outside the covered events listed in section A(I)(2) above.

4. **Cost:** No cost.

5. **What Allergan Aesthetics will provide under the Allergan Aesthetics Warranty:**

   (a) **Product Reimbursement:** If patient has a Covered Event, subject to this clause, Allergan Aesthetics will reimburse the cost of the same or similar type of implant as the qualifying product for the lifetime of the implant. Implantation of the qualifying product, as well as

any subsequent procedures, must be in strict accordance with current Allergan product literature and accepted plastic surgical procedures by appropriately qualified licensed plastic surgeons for such product to qualify for replacement.

The explanted product must be returned to the Allergan Aesthetics Device Analysis Laboratory within 90 days of its explant in order to qualify for product reimbursement. If return is not possible due to extenuating circumstances then a photograph of the explanted implants can be provided in lieu of returning the implants. For claims where both devices are explanted, photographs of both explanted devices must be provided .

(b) For NATRELLE® Silicone-Filled Breast Implants:

(i) When a qualifying replacement surgery for a Covered Event occurs from the date of implantation within the timelines set out in Table I above, Allergan Aesthetics will pay out-of-pocket expenses for surgical fees, operating room, and anesthesia expenses directly related to revision surgery and not covered by insurance, up to a maximum aggregate amount of the respective amounts set out in Table I. Upon submission of a qualifying request, Allergan Aesthetics will provide a general release in favor of Allergan Aesthetics.

(ii) Allergan Aesthetics will not pay for any re-operative expenses until receipt of the release signed by the patient. In addition, Allergan Aesthetics may require a copy of bills or receipts associated with the revision surgery before payment will be made. Other documentation, such as operative notes and photos, may be required prior to payment. Request for financial assistance under the Allergan Aesthetics Warranty should be made to the Allergan Aesthetics Warranty Department prior to the date of qualifying revision surgery.

(iii) At the surgeon's request, Allergan Aesthetics will also provide reimbursement for a qualifying replacement used to replace a contralateral Allergan Aesthetics implant. Upon submission of a qualifying request for financial assistance, Allergan Aesthetics will provide a general release in favor of Allergan Aesthetics.

(c) For BIA-ALCL diagnosis

(i) When documentation of a positive diagnosis of BIA-ALCL is provided by a pathology report confirming CD30 positive, ALK negative cytology and/or histology as per the NCCN [National Comprehensive Cancer Network] guidelines, Allergan Aesthetics will pay out-of-pocket expenses for surgical fees, operating room, and anesthesia expenses directly related to revision surgery and not covered by insurance, up to a maximum aggregate amount of USD 7,500 Upon submission of a qualifying request, Allergan Aesthetics will provide a general release in favor of Allergan Aesthetics.

(ii) Allergan Aesthetics will not pay for any re-operative expenses until receipt of the release signed by the patient. In addition, Allergan Aesthetics may require a copy of bills or receipts associated with the revision surgery before payment will be made. Other documentation, such as operative notes and photos, may be required prior to payment. Request for financial assistance under the Allergan

Aesthetics Warranty must be made to the Allergan Aesthetics Warranty Department upon confirmation of a positive diagnosis.

(iii) At the surgeon's request, Allergan Aesthetics will also provide reimbursement for a qualifying replacement used to replace a contralateral Allergan Aesthetics implant. Upon submission of a qualifying request for financial assistance, Allergan Aesthetics will provide a general release in favor of Allergan Aesthetics.

B. PATIENT INFORMATION ON THE ALLERGAN AESTHETICS WARRANTY

Before implantation surgery, the plastic surgeon should explain the details of the Allergan Aesthetics Warranty terms and conditions, including product reimbursement, to the patient, and direct the patient to the Allergan Aesthetics website where they may view the terms and conditions document. In addition to explaining the terms of the Allergan Aesthetics Warranty and Product Replacement, the plastic surgeon should also advise the patient about possible adverse reactions and complications associated with Saline-Filled and Silicone-Filled Breast Implants, including the risk of BIA-ALCL, and review with the patient the device appropriate informed decision brochure provided by Allergan Aesthetics, describing the benefits and risks of surgery with either its Saline-Filled or Silicone Gel-Filled breast implants.

C. FILING A CLAIM

If a Covered Event occurs within ten years of the date of an implantation/or at any time for BIA-ALCL coverage under the Allergan Aesthetics Warranty, the plastic surgeon should contact Allergan Aesthetics' Medical Device Complaint Center at MedDeviceComplaintsAPAC@Abbvie.com to report the event(s) (see form on Schedule 1) and forward the following documents in advance of the revision surgery in order for a subsequent claim to be considered for approval:

(i) **Rupture**: a copy of the MRI and/or US report - If revision surgery is planned based on reliance of Magnetic Resonance Imaging (MRI) and/or Ultrasound (US) findings of suspected rupture of an ALLERGAN® AESTHETICS Silicone-Filled Breast Implant

(ii) **Capsular Contracture Baker grade III or IV**: medical report stating the capsular contracture grade and need for surgery.

(iii) **Seroma Late**: In the case of a claim under a late seroma event for patients with textured implants only, a diagnosis qualifies as > 50 cc of fluid presented at least 12 months after surgery, upon a confirm diagnosis by a surgeon and confirmed by photographs, pathology, or other reports deemed acceptable by Allergan Aesthetics.

(iv) **BIA-ALCL**: a pathology report confirming BIA-ALCL diagnosis through confirmation of a CD-30 positive, ALK-negative cytology and/or histology.

Allergan Aesthetics will organise the return of the explanted implant(s) or request photographs if return of implants is not allowable. Upon receipt of the returned product, and of the properly signed release and claim form, payment will be issued to the appropriate party or parties in accordance with limitations outlined in this document.

D. **Limitation on Product Replacement**

Allergan Aesthetics reserves the right to cancel, change, or modify the terms of the Allergan Aesthetics Warranty. Any such cancellation, change, or modification will not affect the currently stated terms for those already enrolled in the Program.
