

More *coverage*. More *confidence*.

An enhanced Natrelle® ConfidencePlus™ Warranty Program

The Natrelle® ConfidencePlus™ Warranty Program offers **more** coverage for breast implants—designed for added peace of mind and patient satisfaction

Applicable as of October 1, 2019.

Actual patient. Individual results may vary.

Our enhanced warranty options feature:

- **Complimentary breast implant reimbursement** in the event of capsular contracture (Baker Grade III/IV; within 10 years), late seroma (within 10 years), Breast Implant-Associated Anaplastic Large Cell Lymphoma (BIA-ALCL) diagnosis and rupture (lifetime)
- **Complimentary adverse events coverage** with financial assistance up to **\$3,500 USD** within 10 years for rupture and up to **\$7,500 USD** for a BIA-ALCL diagnosis
- **Late seroma diagnostic testing coverage** with financial assistance up to **\$1,000 USD** (for out-of-pocket expenses) to rule out the presence of BIA-ALCL

THE NATRELLE® CONFIDENCEPLUS™ WARRANTY PROGRAM:

	Rupture	Capsular contracture	Late seroma [†]	BIA-ALCL [‡]
Complimentary product reimbursement*	Lifetime	10 years	10 years	Lifetime
Financial assistance**	Up to \$3,500 USD within 10 years			Up to \$7,500 USD
Enrolment fee	Automatic—there is no fee			

* reimbursement will be for the cost of the same or similar type of implant as the qualifying NATRELLE implant.

** Subject to review and approval by Allergan Aesthetics following submission of all required documentation.

Note: Amounts stated in USD in this document will be converted and paid in local currency based on the foreign exchange (FX) rates at the time of processing.

[†] ≥50 cc of fluid more than 1 year after implantation in patients with a history of Allergan Aesthetics textured implants or currently with Allergan Aesthetics textured implants.

[‡] BIA-ALCL coverage applies to all Allergan Aesthetics breast implants, including Natrelle®, BRST® and CUI®.
