

2 Patient Implant Cards  
to be provided to patients injected  
with **Juvéderm® VOLUMA® with  
Lidocaine** are provided on the next  
page

Please ensure you add the Batch/Lot number  
to the Patient Implant Card prior to providing  
to the patient.

Please note that additional space has also  
been provided on the reverse of the Patient  
Implant Card for you to insert the name of the  
injecting doctor and/or treatment clinic.
