Dear Doctors,

Along with a workshop on **'The principles of the 5 P's'**, you will gain practical insights by meeting patients and taking part in the pre-operative planning and implant selection stages of breast augmentation; you will also have opportunity to observe live surgery and attend clinical rounds for post-operative follow-up.

The preceptorship will take place on the 28–29 September 2017 at Victoriakliniken, Saltsjöbaden, Sweden. Allergan will organise your logistical arrangements and you will receive further information in the lead up to the event.
